

LEASE OR RENT.

WITH VOLVO TRUCK LEASING SYSTEM, YOU'VE GOT OPTIONS.

A BETTER TRUCK. A BETTER LEASE. AND A BETTER BOTTOM LINE.

Volvo Truck Leasing System (VTLS) gives fleet managers a wealth of business options for obtaining and maintaining the equipment they need. VTLS is an established and highly respected association of Volvo truck dealerships located across North America, offering a broad range of full-service truck leases, service agreements, contract maintenance and rental programs.

A full-service lease with VTLS delivers total satisfaction, including:

- OEM assurance built into every agreement
- The latest, most advanced trucks offering the newest technology
- 24/7 roadside assistance with Volvo Action Service
- Maintenance plans tailored to your business, serviced by our Volvo-trained technicians
